## The Hong Kong University of Science and Technology Department of Electronic and Computer Engineering

ELEC2400 ELECTRONIC CIRCUITS FALL 2021-2022

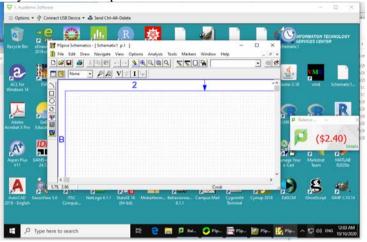

## **PSpice Circuit Simulator installation**

## 1. Online Mode

- You have to check with the ITSC Website to get more information about the Virtual Barn. https://itsc.ust.hk/services/academic-teaching-support/facilities/virtual-barn/user-guide
- You should try to login into the Virtual Barn with Academic Software pool from your own computer at your place.

• You should try to start the PSpice Circuit simulator.

## 2. Run PSpice on your own computer

- For the Mac user The PSpice software could not be run in Mac. You have to use the online mode.
- For Window user You could download the PSpice circuit simulator and install into your Window PC

Canvas (Elec2400) -> Lab Material -> 5) PSpice software
